All members are expected to participate in club activities. Voting Members are expected to express their views (and vote if applicable) on matters placed before them, and are encouraged to hold office.

MEETINGS - The Club does not have a Club House, so there are no meetings or work parties on shore to take time that could be spent sailing. There are two, scheduled, General Membership Meetings each year, to address business that requires membership approval (e.g. election of new officers for the coming year, amendment of bylaws, etc.). One is combined with the Summer Picnic and the other with the Christmas Party.

NEWS LETTER - The Club publishes a news letter about every two months to keep members apprised of club business and coming events, what the Executive Board is up to, and other information as may be deemed appropriate. There is a standing solicitation for short articles from members on racing, cruising, or any subject related to owning a yacht. The newsletter also has room for ads on boats, or boat equipment for sale.

CRUISES AND OTHER SOCIAL ACTIVITIES - The Club sponsors at least five cruises each year, normally originating at the Port Orchard Marina breakwater. Destinations are at the discretion of the Cruise Sponsor (member volunteer). Members are also encouraged to organize impromptu cruises with friends.
