Independence Day Cruise

What's planned:

July 3rd raft out at Poulsbo arrive in Poulsbo between 2:00 to 3:00PM. Have snacks, drinks and dinner potluck at 5:30 pm. Watch fireworks.

On the 4th, go back to Port Orchard. Try to be there around noon and tie up to public dock (Port Orchard Marina). Roam around town and go out to Mexican restaurant around 5:00pm. Go back to our boats and watch the fireworks with other members.

Aren't we lucky? Two sets of fireworks one day after the other. We can still drink more than one beer. What can be better?
