

Calling All West Sound Corinthian Yacht Club Members

Come to the *Uncruise*

July 31 – August 1, 2010

First, A Little History: The Uncruise was first brought about by a comment some of our members made that lived outside the Port Orchard – Bremerton area. It seemed that when our cruises were planned, we went to *their* home port, but never to Port Orchard. Hence the name Uncruise.

Another annual activity was the WSCYC summer picnic and meeting. Since they were so close together, the picnic and Uncruise were combined a few years ago.

This Year:

Join us on the Port Orchard Marina Activity Float for good eats prepared by Rob Heay and his crew. Bring your favorite potluck side dish to share. Rob will start the barbecue around noon.

The Un-Cruise is BYOB (bring your own beverage). Bring what you like to drink for yourselves and crew. Sharing is optional.

The meeting will start around 1:00 p.m. so folks will get a chance to get their food before and during it. The first order of business is to elect the new treasurer. By Board appointment, Gary Seibert has fulfilled the duties of the office after Cathy Kornish's resignation. The election will formally fill the vacancy.

Moor your boat in the Marina's guest moorage. The Club has reserved slips 1 through 6 for members use (those around the float). Contact Cathy Kornish, wscycsec@msn.com, to use those slips on a first come, first served basis. After they are taken, you will have to make your reservations (there is a \$5 non-refundable reservation fee). Mention WSCYC when making reservations to allow you moorage near the activity float. Spend the evening getting to know your fellow members better.

Sunday morning there will be a potluck breakfast on the activity float starting about 8:30. Emerald Lady's crew will be bringing her corned beef hash specialty and maybe a Swedish surprise. What can you bring?

Get out and sail. Sail for the rest of the day.
